Subject: Co-Sponsor Request: Creating the Ohio Council on Transportation Technology

MEMORANDUM

To: All Members of the Ohio House of Representatives

From: Representatives Thomas E. West and Darrell Kick

Date: February 2, 2018

Re: Co-Sponsor Request: Creating the Ohio Council on Transportation Technology

We will soon introduce legislation to create the Ohio Council on Transportation Technology, which will utilize our state's expertise on evolving technologies such as autonomous vehicles to ensure that Ohio takes the lead on this emerging industry.

The Council will meet annually to make recommendations to the legislature and governor regarding how statewide policies can be adjusted to ensure that the state is the world leader in autonomous, driverless, and connected vehicle technology. While estimates vary, most studies suggest that autonomous vehicle technology will add *trillions* of dollars to the global economy and save hundreds of thousands of lives over the next few decades. Ohio should be prepared to take advantage of this boom.

The membership will consist of the following

- One member appointed by the governor who represents local government interests
- One member appointed by the governor who represents the insurance industry
- Two members, one appointed by the governor and one appointed by the president of the senate, who represent labor unions
- The secretary of state or the secretary of state's designee
- Three members, one appointed by the governor, one appointed by the speaker of the house of representatives, and one appointed by the minority leader of

the house of representatives, all of whom are leaders in business, policy, or research in transportation technology

- Two ex officio members of the senate appointed by the president of the senate, each representing a different party

Subject: Request for Co-Sponsorship – Paid Family and Medical Leave

Ohio House of Representatives

MEMORANDUM

TO: All House Members

FROM: Representative Janine Boyd and Representative Kristin Boggs

DATE: February 5, 2018

RE: Request for Co-Sponsorship ¶ Paid Family and Medical Leave

We will soon introduce legislation to create the Ohio Family and Medical Leave Insurance Program. Today we chose to send this co-sponsor request as this date marks the 25th anniversary of FMLA (Family Medical Leave Act). This legislation will provide 12 weeks of family and medical leave benefits, which will permit individuals to care for a family member, bond with a new child, or address their own serious health condition.

Out of 178 countries worldwide, the United States is one of three that does not provide paid leave to new mothers. So far five states— California, New Jersey, New York, Hawaii and Rhode Island offer some sort of paid leave to men and women who provide care. The federal Family Medical Leave Act provides 12 weeks of leave for family and medical reasons. This time is unpaid and employers with fewer than 50 employees are exempt, which eliminates a large segment of workers. Ohio should lead on the issue of paid leave to grow our economy and allow working people to put family first.

The program will be under the purview of the Department of Job and Family Services. An individual would receive leave insurance benefits for: a health condition which makes him/her unable to perform their job duties; caring for a new child during after birth, adoption, or foster care placement; caring for a child, parent, or spouse who has a serious health

condition; or the individual is taking any other leave as authorized by the federal Family and Medical Leave Act. In order to be eligible for program benefits, an individual must file a claim with ODJFS; must have worked at least 680 hours during the base period; premiums have been withheld and remitted for at least one year; and the leave must be for the above-mentioned purposes.

Once established, program benefits will be paid by assessing premiums on employees. Employers will be required to deduct and withhold premiums from employees' wages. However, an employer may opt to pay the contributions on behalf of employees.

An employee who is covered by an employer policy or collective bargaining agreement that provides the employee with greater leave than that provided by the Family and Medical Leave Act may elect not to participate in the Program in accordance with rules adopted by the Director. An employee who elects to opt out of participating in the Program is not liable for any premium or contribution that would otherwise be due under the Program.

Working people in Ohio should not have to worry about losing their job or falling behind financially just to take care of a sick child or relative; address their own serious health condition; or care for and bond with their newborn child. Ohio cities like Dayton and Cincinnati are leading on leave. By allowing working people to put their family first, we can truly make Ohio a better place to live, work, and raise a family.

If you have any questions or would like to co-sponsor this legislation, please contact Dominic Paretti, at 614-644-5079 or via email at Dominic.Paretti@OhioHouse.Gov and Serena Finlay, 614-466-1896 or via email at Serena.Finlay@OhioHouse.Gov. **The deadline to co-sponsor is Friday, March 9 at 4:00pm.**

Subject: Vote NO on Senate Bill 28, House Bill 258 and Senate Bill 145

Feb 11, 2018

State Representative Sarah LaTourette
Vern Riffe Center, 14th Floor
77 South High Street
Columbus, OH 43215-6111

Dear State Representative LaTourette,

As constituents of your house district, we write to urge you to vote NO on Senate Bill 28, House Bill 258 and Senate Bill 145.

Abortion is one of the safest medical procedures available to women and yet these bills would make it illegal in Ohio. Abortion is a deeply personal and often complex decision for a woman and her family. Women don't turn to politicians for advice about mammograms, prenatal care, or cancer treatments; politicians should not be involved in a woman's personal medical decisions about her pregnancy.

Conservatives in the Ohio Senate recently passed Senate Bill 28, an abortion ban that requires the burial of fetal tissue, imposing a medically unnecessary funeral ritual on patients choosing abortion. There is clearly no purpose of Senate Bill 28 other than to stigmatize and shame women who have already made the personal decision to have an abortion.

House Bill 258 would prevent women from getting abortions as early as six weeks into a pregnancy, before some women even know they are pregnant. It would take away a woman's right to make her own medical decisions before she would even know she had a decision to make. Senate Bill 145 bans the most common form of second trimester abortion, the D&E procedure. The only alternative to this procedure would be to induce a woman to go into early labor, significantly increasing the risk of harm to the woman and establishing yet another financial barrier.

These types of abortion bans have been struck down as unconstitutional by state and federal courts across the country. There is no question that these bills are unconstitutional. Whenever similar measures have passed in other states, they have only led to costly litigation.

Senate Bill 28, House Bill 258 and Senate Bill 145, in addition to the other bills being considered and passed by the Ohio General Assembly, are part of a larger coordinated attack on Ohioans' constitutional right to abortion. Each of these bans effectively shames and punishes women for their right to bodily autonomy and takes away the freedom to make the best decision for herself and her family.

Please vote NO on Senate Bill 28, House Bill 258 and Senate Bill 145.

Sincerely,

Ms. Jane Booth

PRESS RELEASE

Advocates call for policies that support Ohio's workers

Contact: [Hannah Halbert](#)

Later this month, the U.S. Supreme Court will hear Janus v. AFSCME, which threatens the ability of unions to collect fair share fees. Ohio legislators also recently unveiled a slate of proposals designed to give more power to corporations at the expense of workers, including so-called "right to work" legislation, which could greatly reduce the power of Ohio's unions. With working people facing threats at state and national levels, Policy Matters Ohio joined ProgressOhio to unveil a [new policy brief, "A way forward: 10 ways to support Ohio's working people."](#)

"So-called 'Right-to-Work' legislation and related judicial attacks like the pending Janus case don't address these real struggles of working people," Policy Matters Researcher Hannah Halbert said. "Unionized workers in Ohio make \$4 an hour more than their non-union counterparts, \$8,000 more a year for full-time work. Union workers are more likely to have pensions and paid sick days, and less likely to be treated unfairly at work or experience harassment or workplace injuries."

Cincinnati fire fighter and Ohio Association of Professional Fire Fighters Communications Director Doug Stern said so-called right-to-work laws not only chip away at the fabric of unions, but can make

communities less safe.

"Attacks like these on working people and unions are attacks on fire fighters, police officers and all first responders, he said. "Our fire fighters and police officers deserve the right to collectively bargain so that we can effectively advocate for the training and equipment that keep our communities safe."

For decades, state and federal policymakers have chipped away at worker protections. As a result, Ohio's job growth has been weak and the state's wealthiest 1 percent earned more than 19 times the average of the bottom 99 percent of earners combined.

"The decline of unions has significantly contributed to the decline of the middle class as wages have remained stagnant and workers are getting a smaller and smaller share of income," said Wright State University Economics Professor Rudy Fichtenbaum. "Attacks on unions are not about increasing job growth; they're about corporations and the political elite gaining power over workers."

Policy Matters calls for the policymakers to protect workers' right to organize, as well as strengthen the public sector, raise the minimum wage, restore the 40-hour work week, fix Ohio's broken unemployment compensation system and more.

Subject: REALTOR Priority - HB 211

Dear Representative LaTourette,

As a REALTOR and member of the Ohio REALTORS I am asking today for your support of House Bill 211 - our top legislative priority for 2018. House Bill 211 proposes much needed consumer protections in the home buying process.

Home inspectors remain the only unlicensed person in the home buying process. Their inspection report often serves as the final say in what is undoubtedly the largest financial investment a consumer will make in their lifetime. House Bill 211 simply establishes basic, common-sense standards for education and licensing of inspectors. More importantly, it provides multiple avenues for existing inspectors to continue their businesses operations.

At least 30 states have some form of home inspector licensing or registration requirements, including Indiana, Kentucky, Pennsylvania, and West Virginia. Now is the time for Ohio to act to protect home buyers in our state.

We ask for your SUPPORT of House Bill 211.

Sincerely,

Richard Chambers
